FOOD SAFETY AND HEALTHY DIETS FOR ALL

'Be the change that you want to see in the world'
-Mahatma Gandhi

Food safety and healthy diets are critical in the context of India's high burden of foodborne diseases, under-nutrition, micro-nutrient deficiencies and growing incidence of obesity and non-communicable diseases (NCDs).

ABOUT THE WEBNIAR:

On July25,2021 at 11am the department of civil engineering organized a webinar through Google Meet (<https://meet.google.com/xmm-reip-zjm>). Total no of 115 participants were attended in the webinar. At first, Mr. Kadunath Murmu (AHOD, Assistant Professor, CE Department, RERF Group of institutions) delivered the welcome speech to all. Mr. Chayan Biswas was the guest speaker in the webinar. He gave a valuable lecture on “Preliminary study on seismic resistant structure”. He also discussed about shear wall, potential defects vulnerable for earthquake and different criteria for earthquake resist structure. This was a very great knowledgeable session for everyone. This was around one and half hour session. Our respected Dean sir Prof. (Dr.) Ashok Kumar Shaw was delivered thankful speech to the guest speaker and all participants.
