A Report

The journey of the Institution's Innovation Council (IC202014857) at our institutions is very inspiring. It is started during the academic calendar year 2020-21. The institute's internal faculty members and student members constantly seek out new ideas and are inspired by the various activities that are listed under "My calendar Activity" of the institute. The council is also benefited from the participation of the outside parties, such as the business owner and an industry representative.

Our Institute had achieved **One Star** during the IIC calendar year 2020-21 and **Two Star** during the IIC calendar year 2021-22.

Through the council meeting all members give insights on effective implementation of IIC activities and attainment of vision and mission of our IIC and the Institution as a whole. The institute is taking certain measures in synchronization with the IIC to develop entrepreneurial ecosystem.
