Madam Samalika,

At the outset, we wish to thank you for your excellent courtesy extended to our team members and the undersigned and reference to our discussions. Please note that we would like to start the brand ambassador campaign on your campus. It would be a year-long activity and every month we shall send two faculties including the undersigned on valuation-related activities as well as core engineering in both mechanical and civil. The topics would include the major subjects which are important on valuation aspects as well as advance valuation related topics so that everyone is aware till the time which really covers the campus interview in the fourth year. After six months of running this course at a regular basis, the ambassador would be selected for an internship as well as be our brand ambassador in your organization. In the process, we shall have our internal examination and tests for each subject and shall allow a maximum of three tests on each subject. On completion of the same without any campus interview, we can directly choose students from your campus. Once we agree principally on this we shall send across our list of subjects to be studied in both civil engineering as well as in mechanical engineering.

We shall accept the regular honorarium that you pay to your existing faculties. Also please note that the MOU is being sent in the next mail.

With warm regards,

Indranil Aich

To: Samapika Sinha &lt;samapikasinha@regent.ac.in&gt;

MADAM

This has reference to our campus drive as discussed let us have a mega drive for diplomas, degrees and ITI both Mechanical and Civil from 27-28th of May 2023. We are looking at candidates from Jalpaiguri, Siliguri, Malda, Berhampur, Burdwan, Durgapur and Asansol. In some places, we plan to put diploma holders and in other areas ITI civil draftsman and degree holders. We expect you will invite the government colleges of North Bengal, Raiganj, Malda, Burdwan and Asansol.

Please also cooperate with Madam Sanyal in case he can source some candidates. Please note that in the ITI segment, we will look at civil commercial vehicles and technicians who can inspect the commercial vehicles

await your confirmation on the same  
with warm, regards  
indranil Aich

Dear Madam,

Kindly note that we have reviewed all the answer sheets of your institute who appeared for the examination, ten numbers to be precise out of which following students have barely managed to reach the pass marks. The overall standards are not as per our requirement; however, we wish to give them a chance for a personal interview and want to conduct the same on the same day as that of the proposed joint campus drive tentatively on 28th May 2022.

Tried to reach you several times over the phone. Understand you are inviting several colleges including North Bengal that is Siliguri, Jalpaiguri and Cooch Behar. Hence, please inform these colleges for both civil and mechanical and let us know the exact strength that is how many are likely to come.

We are yet to receive any communication regarding the colleges that you have spoken to. Please note that we are expecting at least one hundred candidates as our requirements are not fulfilled. Also please share the contact number of TPOs so that we can also contact them individually and ask them to send their candidates

The following candidates from the Regent are requested to attend a personal interview

Name	Marks obtained	Category
1. Debasish Nath	50	Mechanical
2. Sourav Roy	42.5	-do-
3. Soumen Dhara	51.5	-do-
4. Sukhosri Banerjee	39	Civil
5. Subho Roy	45.5	Civil
6. Sonali Banik	40.5	Civil

With warm regards,  
Indranil Aich
