Dear Sir,

Greetings of the day!

This is for your kind information that, as a part of our Diploma course, the students have to do an internship in their final semester. Which is compulsory in their curriculum. Unfortunately 15 nos of Diploma Electrical final semester students of our group could not do their internship.

I would request you to kindly allow these students to join for an internship at your esteemed organization from tomorrow (2nd February, 2023). The duration of the training will be for 10 days only.

Looking forward to hearing from you.

Thanks and regards,
